

HealthAI2026

International Conference on Precision Medicine & AI Healthcare

July 27–28, 2026 | Prague, Czech Republic

Theme: Precision Meets Intelligence: Revolutionizing Healthcare with AI and Personalized Medicine

Visit Website

Advancing Healthcare Through AI Innovation

The **International Conference on Precision Medicine and AI Healthcare (HealthAI2026)**, hosted by PAGES, is a premier global platform uniting clinicians, researchers, AI innovators, healthcare executives, and policymakers. Scheduled for **July 27–28, 2026**, in Prague, Czech Republic, HealthAI2026 showcases how artificial intelligence is revolutionizing healthcare through precision diagnostics, personalized therapies, and data-driven insights.

Why Attend?

- Discover AI Breakthroughs:** Explore AI applications in diagnostics, drug discovery, and patient care.
- Forge Global Connections:** Network with international leaders in AI and healthcare.
- Present Your Work:** Share research via oral or poster sessions, with opportunities to win Best Oral and Best Poster Awards.
- Engage in Dynamic Sessions:** Participate in plenary, keynotes, workshops, and panels shaping healthcare's future.

Join us in Prague to drive the AI healthcare revolution.

Scientific Program Highlights

Explore over 30 cutting-edge sessions, including:

- AI in Clinical Decision-Making:** Enhancing precision in patient care.
- Precision Medicine & Genomics:** Personalizing treatments with AI-driven insights.
- Medical Imaging & Diagnostics:** Accelerating accuracy with AI technologies.
- Healthcare Data Science:** Unlocking big data for predictive analytics.
- AI in Drug Discovery:** Streamlining pharmaceutical innovation.
- Digital Health & Telemedicine:** Expanding access with AI platforms.
- AI in Oncology:** Transforming cancer care with machine learning.
- Healthcare Robotics:** Automating clinical workflows.
- Blockchain in Healthcare:** Securing data with AI integration.
- Ethical Challenges in AI Healthcare:** Navigating regulatory landscapes.

Full session list

Key Dates

- Early Registration Deadline:** October 10, 2025
- Standard Registration Deadline:** February 10, 2026
- Abstract Submission Deadline:** June 10, 2026
- Onsite Registration:** July 27, 2026
- Conference Dates:** July 27–28, 2026

Venue

Nestled in the heart of Prague, the “City of a Hundred Spires,” our state-of-the-art venue offers:

- Modern Facilities:** High-speed connectivity, spacious halls for plenary and parallel sessions, and dedicated networking areas.
- Prime Accessibility:** Steps from hotels, dining, and public transport.
- Cultural Landmarks:** Near Charles Bridge, Prague Castle, and Old Town Square.

Why Prague?

- Global Hub:** Direct flights to Václav Havel International Airport.
- UNESCO Heritage:** A blend of historic elegance and modern innovation.
- Vibrant Experiences:** Enjoy Vltava River cruises and cultural attractions.
