

International Conference on Pharmacovigilance and Regulatory Affairs March 24-26, 2025 | Rome, Italy

We are pleased to announce that the International Conference on Pharmacovigilance and Regulatory Affairs will be held on March 24-26, 2025 at Rome, Italy.

On behalf of the Organizing Committee we take great pleasure to cordially welcoming you all academic scientists, researchers, research scholars, students and experts of application fields to Rome, Italy for the International Conference on Pharmacovigilance and Regulatory Affairs conference to foster the progress in the pharmacy by contributing with your expertise to what promises to be a very comprehensive and exciting meeting, and to enjoy the immense unique artistic heritage and wonderful landscape of Rome.

The aim of the ICPRA-2025 is to promote quality research and real-world impact in an atmosphere of true international cooperation between scientists and pharmacist by bringing together again the world class researchers, International Communities and Pharma heads to discuss the latest developments and innovations in the fields of Pharmacovigilance and Regulatory Affairs.

We sincerely hope that ICPRA-2025 serves as an international platform for meeting researchers from around the world, widen professional contact and create new opportunities, including establishing new collaborations.

We look forward to seeing you in ICPRA-2025 in Rome Italy.

Best regards,

Sai Lakshmi .G | Conference Secretary
